

The best time to get financial protection is now

Every 34 seconds, someone in America will have a coronary event.

American Heart Association, Heart Disease and Stroke Statistics – 2013 Update

If you were to suffer a heart attack, stroke or other critical illness, would you be able to pay your bills? You could have numerous expenses, including:

- Home health care needs
- Travel and lodging
- Rehabilitation
- Child care

Specified Disease Insurance helps preserve your lifestyle by paying a benefit you can use however you want.

Talk with your Colonial Life benefits counselor to learn how you can help protect what you've worked so hard to build.

20% of Americans under age 65 say their family has problems paying medical bills.

Problems Paying Medical Bills: Early Release of Estimates from the National Health Interview Survey, January 2011-June 2012 (2013)
